

Yoshida Prize Awardee
Prof. Shu-Li You
(SIOC, CAS)

Invited Lecturer
Prof. Koji Hirano
(Osaka University)

Invited Lecturer
Prof. Yuki Goto
(Kyoto University)

The 7th

Yoshida Prize Symposium

November 25th, 2024
~ RIHGA Royal Hotel Kyoto ~

Program (Program is subject to change)

- 15:30 Opening Remarks
- 15:40 [Invited Lecture] Yuki Goto (Kyoto University)
In Vitro Engineered Biosynthesis for Devising Pseudo-natural Peptides
- 16:20 [Invited Lecture] Koji Hirano (Osaka University)
Renaissance of Cation Chemistry in π -Conjugated Molecule Synthesis
- 17:00 Break
- 17:20 **The Yoshida Prize Ceremony**
- 17:30 [**The Yoshida Prize Lecture**] Shu-Li You (Shanghai Institute of Organic Chemistry, Chinese Academy of Sciences)
Asymmetric Direct Transformations of Aromatic Compounds
- 18:40 Banquet (invitation only)

Hybrid Symposium

The symposium is organized in a hybrid manner (on-site and online). Attendees are requested to specify their preference, on-site or online, upon registration. Scan following QR code for registration by **Nov. 15, 2024**.
No charge for registration.
