THE 8TH YOSHIDA PRIZE SYMPOSIUM

November 28th, 2025
RIHGA Royal Hotel Kyoto

Yoshida Prize Awardee

Jishan Wu
〈National University of Singapore〉

Invited Lecturer

Yumiko Nakajima
〈Institute of Science Tokyo〉

Invited Lecturer

Hayato Tsurugi
〈The University of Osaka〉

Program (Program is subject to change)

15:30 Opening Remarks

15:40 [Invited Lecture] **Yumiko Nakajima** (Institute of Science Tokyo)
Precise Design of 3d Metal Catalysts Based on Metal-ligand Cooperation Functions

16:20 [Invited Lecture] **Hayato Tsurugi** (The University of Osaka)
Early Transition Metal Complexes as Catalysts for the Transformation of Alkynes into π-Conjugated Compounds

17:00 Break

17:20 The Yoshida Prize Ceremony

17:30 [The Yoshida Prize Lecture] **Jishan Wu** (National University of Singapore)
Diradicaloids, Aromaticity, and Topological Molecular Carbons

18:40 Banquet (invitation only)

Registration information
To attend the symposium, please scan the following QR code for registration by November 15, 2025. No charge for registration.

IOCF

Organizer International Organic Chemistry Foundation **Contact** IOCF Secretariat : iocf@sbchem.kyoto-u.ac.jp
